Fresno FiberArts Guild 2021-2022 Fiber Grant Guidelines

The Fresno FiberArts Guild is pleased to offer three Fiber Grants for individuals or groups interested in fiber-related arts. The grants, totaling \$300, will be available as three separate awards up to \$100. Each award will be used during the next Guild year as the project must be completed by April 16, 2022. These Grants are intended to encourage interest in the fiber arts through attendance in an organized class or workshop (such as from a local shop, at Bluprint.com, in a Guild workshop, etc.), or by demonstrating a fiber-related activity or lesson to a group. Funds should be used for securing necessary supplies and completing the proposed fiber activity. **Application deadline: April 22, 2021.**

Following the completion of the project and no later than April 16, 2022, grant recipients should prepare a short (10 minutes or less) review which will illustrate the fiber lessons learned and, if applicable, include a display of the completed project for the Guild membership at the scheduled Guild monthly meeting, or through a Zoom meeting. If the grant recipient is unable to attend a Guild meeting in person, this requirement can be met by using a prearranged form of electronic technology. The Guild meets the third Saturday of the month from September through November and January through April.
